POWER | Cordless

PICK+MIX

- **100% compatible** since 2009 – today and in the future
- Capacity from 2.0 to 8.0 Ah
- **Li-Ion and LiHD technology**

metabo®

A man with a beard and short hair, wearing a white t-shirt, dark suspenders, and work gloves, stands in a workshop. He has large orange and black headphones around his neck and his arms are crossed. The background is a blurred workshop with another person working in the distance.

POWER | Cordless

Craftsmen often use **many different tools of many different brands**. The result: **Chaos** in the workshop or on the construction site.

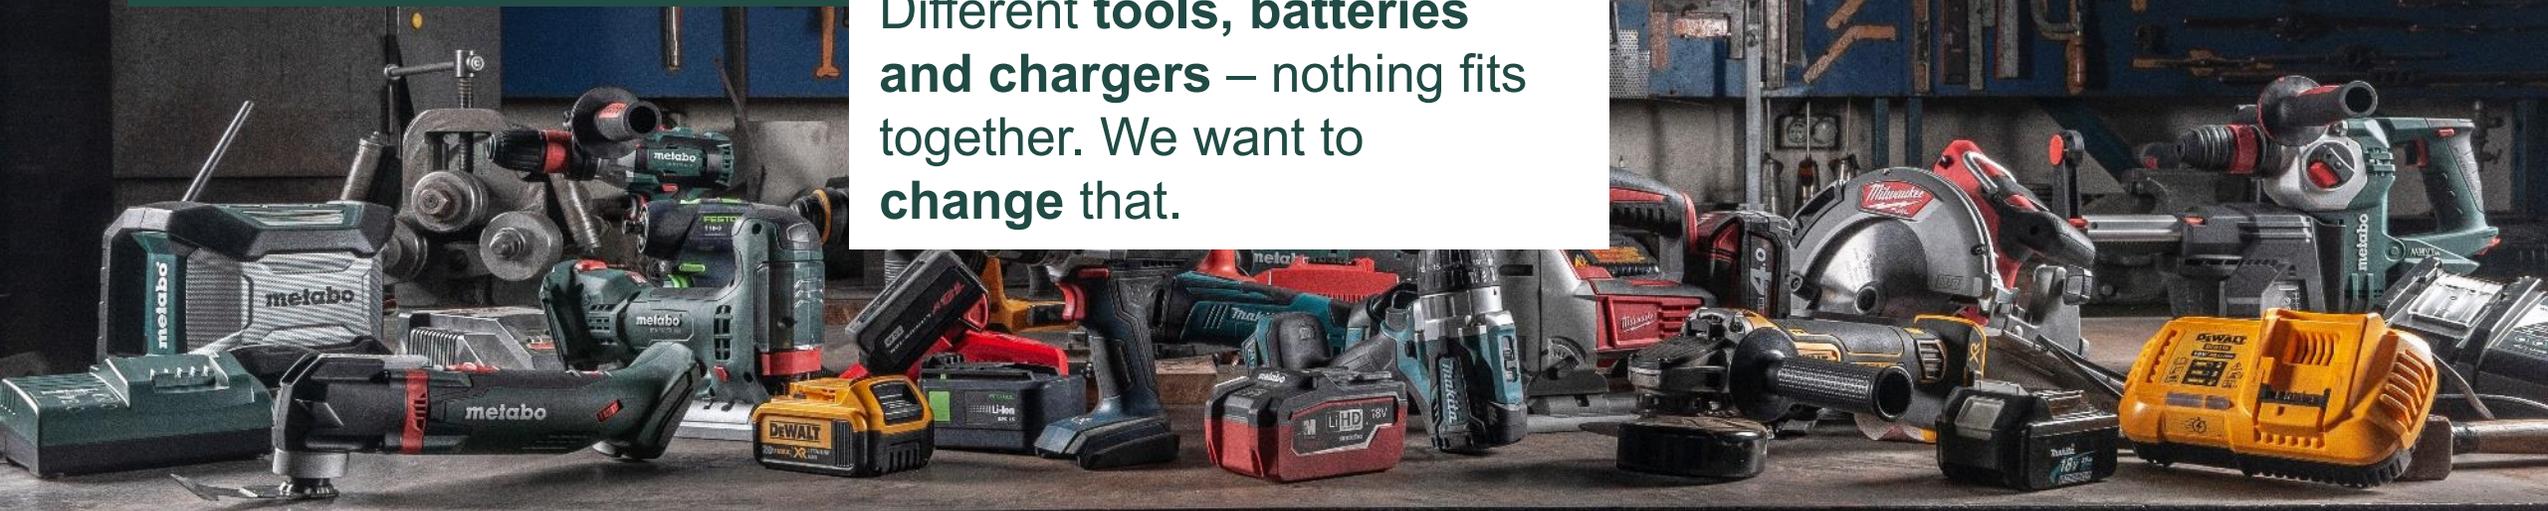

The dilemma

metabo®

POWER | Cordless

When an integrated system is missing

Different **tools, batteries
and chargers** – nothing fits
together. We want to
change that.
